### The Premises:

A flat in a tower bloc. Fit for purpose and noone would blink at the entering leaving or even cumming of people.

### The Lady:

A very pretty oriental woman, perfect skin, flat stomach and fantastic hair. Her pussy fully shaven and her bum very peachy.

### The Story:

This was an a party with one woman. Introduced to Lana as she finished sucking a hard cock and a lovely smile. I presented my own member which she licked and sucked whilst another gentleman fucked her doggy style. The 4 men present all participated and the sight must have been of joy and cumming. Lana was very vocal and was enjoying the event. She took time out and the men sat and chatted. I delighted in stroking her beautiful tits and after donning the plentiful condoms had a share of her tight cunt. The atmosphere was very relaxed and after Lana's attention to my cock and cumming a train in her mouth, I left the other folk to continue the bachalian festivities.
