The Premises:

Described several times before, very clean and well run, friendly and easily placed.

The Lady:

Very pretty face, lovely slim body.

large boobs which have been enhanced but very pleasant young lady.

The Story:

Excellent half an hour, she loved hard talk and reverse O, doesn't kiss but thats not a problem, very chatty and really sexy way about her.

I tried her in several positions after oral both ways, she kept talking throughout and geninely appeared to enjoy her work, a lovely girl.
