### The Story:

When we got in she ran me a bath and got in with me and washed me. We talked about how she was goin to uni to do stuff and was just using this as a way to get cash. Gave me a nice relaxing back massage then turned me over and asked me what i wanted. I said the lot adsn she proceeded to kiss me and then went streaight to OWO but after a second she put a condom on saying i had precum and she didnt wqnt any of my bodily fluids on her. After this then some sex with her on top i couldnt cum so she finished me off with hand relief. If you want sex with no extras or fun then she is for you.
