The Premises:

Area very safe, very near to earls court tube, shops etc yet discrete. Premises clean and comfortable.

The Lady:

Absolute cracker, very pretty and the body of a supermodel - agree with other reports, she is way more beautiful than her pictures show.

The Story:

I wanted pure domination, no sex, it was my first time for this sort of thing and I really enjoyed it. I wrote some ideas on paper and Rachael delivered them and more, did humiliation, bondage and spanking, really enjoyed it all. Highlights were when I was helplessly spreadeagle and Rachael teased my balls from behind, and when I was totally restrained and Rachael made me worship the most beautiful feet, toenails and stockings.

Though I didn't want sex, Rachael's teasing touch was amazing, such a temptress, and my mind is savouring anticipation of the stuff I want to do next time.

Loved it, looking forward to next time.
