The Premises:

The usual excellent well kept premises you expect from HOD.

The Lady:

VERY pretty & short Spanish girl with a nice curvy bum.

The Story:

I left much earlier to get to HOD than I usually do, but thanks to London transport, ended up getting there about 5 minutes late.

As I went to have a quick shower I saw Mira in the kitchen, and wow she looked pretty. Came into the room and Mira had me lay on the bed while she gave OWO with lots of eye contact, she also regularly spits on your cock giving a nice sloppy bj which I like. For those who have seen Jade, Mira's kissing style is similar to hers, except with a proper french kiss here and there.

After a while it was time for the condom, she popped it on and got into doggy position, her bum looks so nice and round from behind, it was great staring at it while working away into a climax.

I couldn't be bothered to do anything else, because I had a long tiring week (which wasn't helped by the delays of London transport), and I could also tell Mira was tired from a long day, so I thought best thing would be just to chat to her a little and be on my way. She saw me off with a series of peck kisses
