### The Premises:

Clean apartment in a safe area. Nice and warm in the bedroom.

### The Lady:

Angelique is petite and has a beautiful shapely body. Lovely dark hair and eyes. She was wearing some nice matching underwear and holdups.

### The Story:

Initially Angelique was disappointing. When I arrived she looked unhappy and moody and told me she was tired. So it wasn't a great surprise to find she was distant, and not making much effort. I started off gently caressing and kissing her as is my preference, and giving her compliments, but getting a response or even a smile back was difficult. I asked if I could give her oral, she shrugged, and said "sure if you want" with a sarcastic smile. This kind of attitude persisted for about half an hour. She has a fantastic body and is pretty, but her disconnected attitude soon rubbed off on me and I lost my hardon.

I asked her to touch herself while I watched so I could get turned. on. She said she didn't like doing that, but then sighed and said "OK for you", and stroked her boob with her finger for 5 minutes, which wasn't quite what I had in mind. Anyway after a while I managed to wake my cock up and asked her to suck me. She was pretty good at that and before long I was getting horny again. After a while she said she didn't like doing that either, so we went for the condom and I asked her for cowgirl.

Suddenly she seemed to turn into a different person. She was animated, gasping and moaning, and riding me hard, my hands on her silky hips and drifting up to her gorgeous boobs. I had this urge to talk dirty so I started saying "yes, fuck me you naughty girl", and spanking her arse. She seemed to like this and started giggling and her lovely smile made an appearance. Maybe she doesn't like foreplay and just likes to shag. Either way, her tight pussy brought me to a nice climax and she stayed on me for a bit afterwards while I relaxed.

After that, we had a really nice chat about her family and her home in Romania. She was laughing, her dusky eyes sparkling, and her stunning smile lit up her face. She is so gorgeous when she

smiles. We ended up going over time just talking. I gave her a small tip for the over time.

I would be prepared to give her the benefit of the doubt and put her initial attitude down to tiredness. It was a late meeting and she had been travelling. Although, if she was that tired maybe she should have called me to cancel and postpone our meeting to another time.

I would hesitantly recommend Angelique but maybe not for a late night meeting. For myself, I may possibly be tempted to try her again but there are so many other girls out there it doesn't seem worth the risk. Maybe if you like a slow build up she's not for you, she seems to like sex but not playing around or kissing and caressing. If you want a straight no nonsense shag with a very sexy petite girl she could be up your street.
