The Premises:

Lydia was "on tour" in a smart, spacious serviced apartment with discreet entrance close to the centre of Guildford.

The Lady:

Voluptuous, attractive woman in her mid-thirties. Fabulous large breasts and fully shaven.

The Story:

Having got to know Lydia from the chatroom on here and her posts I had wanted to see her in person for a while, as I could tell she was a genuinely sexy and outgoing person. My chance came when she was doing a couple of days in Guildford (away from her normal haunt in Hounslow) and I happened to be passing nearby, returning from a business trip.

I had not booked in advance, as I could not be sure of my schedule, but Lydia was able to accommodate me at short notice.

Our time together was very intense and passionate, as I gorged myself on her voluptuous body. It really was the full GFE. Lydia has wonderful breasts that are round, large and sensitive. She is a great kisser, and took me inter her mouth (OWO). I finished by pumping away at her for all I was worth and had a very intense climax (audible to the other lady working in the apartment I heard later).

Thanks Lydia for reminding me how good sex can be.
