### The Premises:

very tidy and clean  
quite discreet house

### The Lady:

pixie is a stunner, a little blonde bombshell  
her body is fit and her boobs invite you to suck them

### The Story:

She is a good kisser and we kissed often including her nipples, which she liked. Her OWO is great paying attention to my balls and I indulged her in RO which she seemed to love. She wanted to taste my cum but I was a bit tired . She paid attention to my balls, too, which I like.

We had sex in many positions. Her cowgirl is great and she enjoyed doggy very much, there was love juices all over the bed.

Pixie is a sexy little minx and I would like to ride her again when I'm not so tired.

Thanks for a great session
