### The Premises:

Brooklyns was fresh and clean upon arrival i was greeted by the friendly receptionist who made me feel relaxed and safe. The room was of excellent standard with use of fresh towels.

### The Lady:

kellie is gorgeous she is a mature busty blonde petite frame and has sexy long legs that are to die for.

### The Story:

Excellent from start to finish had a very hot and horny service from full on french kissing switching into various positions topped of with kellie sucking me totaly dry . By far the best owo in crewe the service was un-rushed and had all of kelliess full attention. Definately will see her again as i have seen her pior our meet today in another place in crewe but she has now joined the brooklyns team and most certainly will be an asset to them all, Overall my whole experience was brill.
