The Story:

After what seemed like an eternity trying to see and missing her due to one reason or another, Ellie opened the apartment door and gave me a big kiss and a hug. She?s a hot blonde with an amazing figure and puts you at ease the minute you walk in. she was wearing a little black outfit with stockings and , as I found out later, the pvc I requested from her agency profile photos.

Went through to the living room and had a glass of wine over a bit of kissy kissy touchy feely? and then went for my shower and met ellie back in the bedroom where she treated me to an amazing time (dfk, owo, cim, various positions). After she gave me a massage and had a chat until it was time for me to leave into the rain again.

One of the best bookings ive ever had. Not because I got anymore or less than I have had before. But mainly because it all felt so natural

A lovely girl with loads of energy

Believe the hype

Highly recommended.

This was my first time using Manchester elite and definitely not my last. A very well run, professional agency. Thanks to Amy
