The Story:

I thought I was going to get 30 minutes of fun instead when I reached there I was told to have a massage which I declined and wanted to play first. There was some milk play, but not much else. No kissing nothing. When I asked for oral she just put it in her mouth and then said u have hardly any time left. I said its been only 15 minutes to which I was told that the 15 min massage is compulsory. She doesnt mention this in her aw website nor does she say this over the phone. Felt ripped off.

Wish I had read the previous feedback here before going which also mentioned the same thing.
