The Story:

Last time I saw Claire I promised to come back .. it took me some time but when I did I also asked her to invite Patricia who I had not seen before. These girls are all over the place on video and Guys I have to tell you these two ladies love cock so much ...and an hour in their company left me completely dry. They are sexy and entertaining but mostly they know exactly what we guys want so don't waste time and money elsewhere as I have done. They each took turns on my shaft, sometimes arguing who should go first !! me.. I didn't care. We did everything you can think of and some stuff you can't imagine !!! Great hour and more because no one was watching the clock here and loved every minute. thanks XXX
