The Story:

I have known Serena for a couple of years but haven't seen her since she left Milton Keynes a while back so was delighted to find her again. She was equally pleased to see me again (i used to be a regular). Booked an hour so we could catch up as well as do the usual. Sex was amazing as usual with OWO to die for. I was planning on giving up the punting but Serena always leaves me wanting more and more. Cuddles and chat are just as good as the sex which I say again was amazing. She also recommended Sophia to me which not many Escorts would do, but thats just a mark of how nice she is.

Serena is my all time favourite and I will probably have to return before long and before hanging up my condoms for good.

She is just that good!!! Luv ya babes xxxx Harry
