The Premises:

Perfectly adequate flat in the South Ken area. Inside it was clean and comfortable with good bathroom facilities.

The Lady:

You can see both of them on the website. They are both gorgeous. Laura's hair is longer than in the pictures, and both girls are beautifully full figured. They were dressed in normal day clothes which made the whole encounter much more natural.

The Story:

Having read a couple of very positive FRs on the 0044 duo's I decided to take the plunge myself. I made sure that Pat understood that I would like to see two girls who were friends and interacted with each other. I was not disappointed; Laura and Sophie are very good friends. We had a nice break-the-ice chat, I showered, a little more chat and then the strokes, touches and kissing started, and it all became an extremely intense 3 way sex fest. Both girls fully enjoying themselves and each other and me, fingers and tongues were everywhere, and I got to fulfill one of my fantasy positions, at the same time giving Laura a new experience. After we had finished I lay on the bed and these two beauties laid across me, we talked and kissed some more and then it was time to leave.

I can't spend ?400 regularly or often, but this was great vfm, and I must meet with Laura as a 1:1 soon because I wasn't able to indulge as much with her as I did with Sophie.

Fantastic experience, highly recommended, and 00-44 might just be my favourite agency now.
