The Premises:

Rosey has moved from that in my previous report. Her new place is in a nicer part of Farnborough and is a clean house. Parking is free, close by, and the area is safe.

The Lady:

Rosey is one attractive lady, with a well toned body, and nice breasts. She's dark haired and slim and about 5' 6" tall. She's in her forties and in good shape for it.

She greeted me in normal day clothes, but while I was washing (no shower - stand up in the bath, but if you tell her you need a shower before you get there she'll run you a bath) she changed into a nice little black number and put on some bright red lipstick.

The Story:

Very sexy; Rosey gives one of the best bbbj's I've ever experienced; very wet and sloppy alternating between handjob and deepthroat with lots of spitting. After some time of this we went into 69 and then I had her sit on my face. Eventually the condom went on and we had sex in mish, she seemed to really enjoy it, and I think she may have orgasmed judging by the look of concentration and the growls of pleasure (yes ... growls). I finished standing on the bed as she gave me owo to completion.

Very good vfm with a sexy, enthusiastic mature woman, I'm surprised no other guys have posted any reviews.
