The Premises:

A flat in the Warren St area. It's clean and tidy. The room Chloe entertains in is warm and comfortable. There is a separate bathroom with a good shower.

The Lady:

Chloe is a tall, slim, tanned, blonde haired girl in her early twenties. She is very sweet and friendly, and in my opinion stunningly good looking.

The Story:

Chloe is an enthusiastic kisser and sessions with her start off with deep french kissing. She soon drops to her knees to give a superb bbbj paying attention to both cock and balls. Some nice 69 was followed by face-sitting and more oral. On with the condom, sex in mish to start then she gets on top and pumps up and down on my cock. I have to ask her to slow down; she gets off and climbs back on in reverse cow-girl and the sensation is too much. I can only take about a minute when I ask her to whip off the condom and she finishes me with bbbj to cim, she spits into a tissue I have a shower and leave feeling great. The meeting always starts and finishes with a lovely chat. Chloe is delicious, and you can find her advertising on a well known site under the handle Essex Chloe. Very good vfm.
