The Story:

Arranged to meet Betty at 1pm, i arrived 15 minutes early and called Betty to see if i could come early. She made some excuses and far enough as i was early decided to wait.

At my scheduled time, i called her and she said her room was being cleaned and to wait 10 more minutes.

I called back at 13.10 and no response, this was the pattern on/off until i finally decided to head back to my car at 13.40. Just as i was about to start the car, she texted to say she was available. Anyway, i entered her room, and sorted out the paperwork.

She got undressed and moaned that i was filming (PRE AGREED). I carried on, and she started to give half hearted owo. Considering she advertises DT, i was disappointed that i barely made it a few mm's into her mouth.

After about 3/4 minutes of this she got the condom out and started to ride me. This was the highlight of the 20 minutes, she was fairly tight and got a good rhythm going.

After about 5 minutes i asked for Anal as this was included in the fee.

She said "yes" but not to far in and not long. She lubed herself up and as i was about to enter her she made a really funny face that just made the old boy lose interest.

I asked her to finish me off by hand and left about 20 seconds after i came (never got dressed so fast in my life).

The girls attitude was pretty awful, the service was pitiful (she is supposed to be a pornstar) and literally was the worst punt of my life.

So be warned, if you fall for the long list of services for a reasonable price with a nice young girl and walk away hugely disappointed (if you stick around long enough) then you only have yourself to blame.
