The Premises:

La Dolce Casa can be found along the Narborough Road. It has a back entrance, which ideally would be a little less visible, but I can't really blame them for that. Inside the facilities are clean and perfectly acceptable.

The Lady:

Not a bad looking Romanian woman in her early twenties. 7/10.

The Story:

This was distinctly below par. I arrived at 5.30 which was in the middle of the 'happy hour' as the maid put it, i.e. entry to the establishment is free. If only it had been a happy half hour.

Upon arrival I was shown to my room by a perfectly polite maid. Sindee turned up a couple of minutes later and asked me what I wanted in a fairly brusque East European accent. I opted to OW for ?40, although we started with a massage. To be fair the massage wasn't bad - suitably firm without being over-the-top. Conversation however, was minimal and mainly at my instigation. Sindee's responses were largely limited to short clipped answers. She is not flirty.

Anyway I flipped over and she started gently stroking my cock. I say gently - she barely touched it before putting the mac on for some oral with protection. In this case however, the condom didn't so much as provide protection against STDs from me (I'm clean), but against Sindee whittling my cock down with her teeth. To describe her technique as somewhat coarse and unsubtle would be an understatement. In fact even with the Johnny on it bordered on the painful to the point where I wasn't far off losing my hard-on. To rescue matters I suggested she finish me off by hand. This she did, but with a condom on. That's right, with the condom on. I asked her to take it off, but she told me she 'didn't like it'. I then asked her to talk dirty to me. But guess what she doesn't like that either and so she refused, preferring instead to wank me off silently. (I'm not making this up.) To make myself come I just thought of some of the other women I've been with.

Yes, I pretended to enjoy it and told her so. Sorry Sindee, but us punters lie like that just to avoid embarrassment and confrontation.

Honestly chaps, if you want to find what sexual experiences are like with someone who might as well be allergic to sex, then Sinder is your girl. If not, you'll heed my advice and go with someone else.
