The Premises:

Small, not very clean. The rubbish basket in the room was full of used wipes & tissues

The Lady:

Definitely the woman on the website. But about 20lbs heavier and a rather nasty vertical scar in her middle

The Story:

She was covered until I'd paid the money. Apart from the scar and the weight - and 20lbs extra is quite a lot on a woman standing at about 5' 3" - she wanted it over quickly, didn't like kissing, and kept putting her hand between the two of us. I was gentle, she just seemed obsessed about keeping me at bay. So: bad appearance, bad attitude, unpleasant room. Very unimpressed by the agency too
