The Premises:

Ground floor flat convenient for Chalk Farm station. When looking for the number, be aware odds and evens are on the same side of the road. On the main road and felt quite safe.

The Lady:

Attractive petite Finnish girl, said to be 25 and that sounds right.

The Story:

Jessica offered me a shower at the beginning and I accepted. Back in the room I lay down and she started to massage my back. It felt as if she knew exactly what she was doing, she had an expert touch and I am sure could give a very beneficial conventional massage. Her hands started to wander into more interesting places and then she did some body-to-body that her light weight made quite delicate. She asked me to roll over and started on my front, very quickly climbing up for more body to body, which was all the more exciting as I could now appreciate her figure. She got off and concentrated directly on the dangly bits, using her hands and breasts. She then started alternating this with an increasing vigorous blow job, uncovered. After the climax, she had a quick shower and offered me one. Throughout Jessica was friendly and professional, there was not a lot of chat, which is what I prefer. Definitely recommended and she has no problems with the older punter.
