The Premises:

Spotless. In quiet housing estate. Not overlooked. Felt perfectly safe. I could relax and enjoy.

The Lady:

Slim but curvy. Nice tits, and large, beautifully rounded bottom.

Mature lady, but has skin of a much younger woman.

The Story:

Have visited many times over a number of years, but I always get a great sense of anticipation when I approach her front door. As always, I received a very warm greeting, with plenty of kissing and cuddling.

We enjoyed a great session involving foreplay, oral sex, and fucking (no anal) As always, I was made to feel completely welcome, and there was no feeling of being rushed.
