The Lady:

Paris has the most perfect figure I have ever seen on a woman, As soon as I laid eyes on here I knew I had made the right decision to come and see her.

The Story:

Paris was the first escort I had ever arranged to meet and to say I was nervous would be an understatement. Lucky for me she immediately put me at ease and within seconds I completely forgot about my nerves and continued to enjoy the rest of our hour together. The contents of that hour shall remain between Paris and I but I will say that it was the best hour of my life.
