### The Premises:

Flat near a small shop. An OK area during the day, but I would say you would need your wits about you at night, but still relatively safe. Not far from the main road for buses and Stockwell tube is 7 to 12 mins walk.

### The Lady:

Pics from the purple site are correct and accurate, exactly the same in fact. A good looking girl, with stud above her lip and tinted hair with red and blond in it.

### The Story:

I was really looking forward to this punt and changed my mind about another working girl I was about to visit! A mistake unfolded. I asked Krista if she was happy to rim me and CIM. Yes was the answer, so off I went.

However, rimming from her was just so light and never hit the spot (literally), so a poor excuse for rimming there. Asked for my Jap eye to me tongued. Krista said that was not asked off before and spoke a lot in Hungarian, which was off putting. However, she had a go at it. Nothing special there. No French kissing with her. I did rim her nicely and asked her to do it that way to me. "Too difficult" was the reply.

I then did reverse oral, but not a flinch from her; so I asked her if she wanted to cum, reply - "Too difficult"! (I am damn good at it too!)

Finished with 69, which was mostly done by hand! But CIM was short-lived.

This Hungarian did not provide a good service, but I am sure there are many that do. Looks can be deceptive and I fell for that, hook, line and sinker!

I can't really recommend her to others as there was really no gusto or spark to her. I won't be visiting Hungarian's again I guess, and head for the Spanish, Italians or good young English babes. I know they are here to collect the readies to take back home, but they need to provide a decent service with it. Disappointing indeed.

House of Divine here I come!! Happy punting Gents!
