The Premises:

Parking in the local ASDA, a very clean and comfortable flat. She shares with a number of woman. I had a very enjoyable time with Tiffany the week before.

The Lady:

After being fucked by Tiffany I was introduced to Christine. One woman a flat stomached beauty with small breasts, Christing a curvy dark haired woman with a big smile and larger breasts. I knew I would return. Christine is all woman. Her body is voluptuous and soft with breasts that make everything disappear, cock tongue hands.

The Story:

Riding Christine was so much fun, a big woman with a tight cunt makes sex so enjoyable. She sucks without a condom, but no CIM. She sucked and sucked in 69 I fingered licked and played. The first load just shot out and she said that I could have put it on her face, tits or anywhere. The rest was chatty she is German and her English not great, my German worse. Round 2 was slower and her massage of my prostrate produced a flow of fluid with little spunk. A woman that smiles whilst working and good at it.
