The Lady:

The three girl looked like glamour models all three. Really stunning. All three had perfect bubbly butts. Bianca had the most attractive ass I have seen and Cassandra and Amanda looked like brunette dreams in underwear i was in heaven.

The Story:

First of all I was happy that the agency let me make my own trio of girls as it worked out to book all three I wanted together. I was greeted by Bianca which owned the flat in an extremely attractive dress as I arrived at the same time as Cassandra. We waited until Amanda came. Amanda and Bianca was from Brazil and Cassandra was from England. We took some time to talk then they asked me to strip and soon afterwards so did they. The girls were really nice and gave the meeting a really nice atmosphere throughout. The highlight was looking in the mirror and saw myself surrounded by three girls in the middle of the session it looked like I was in a porn movie. The girls being curvy and firm girls made me think that curvy and firm girls are the best type of girls!
