Natasha is a tall, dark haired Russian girl around a dress size 12, with medium breasts.

The Story:

This was an alternative, hurried punt owing to my first choice letting me down. I reverted to the old, card in the box ploy and with those what you get is a lottery. I was told there was a choice of 3 girls, but when I turned up that was narrowed down to a choice of one. I went ahead, having got that far, but Natasha wasn't my type. The session consisted of covered oral which actually I enjoyed. Natasha then climbed aboard and she was a bit too vigorous. I asked for a handjob finish and it took me a few minutes before I came.

I would only recommend this place owing to its close proximity to the tube. Natasha is ok, if you prefer taller, well built girls.
