The Premises:

Paris's flat is centrally located near ample parking at Cabot Circus. The area is completely safe and discreet. She provided clear instructions by text prior to the booking and then talked me directly to her front door. Her room is a real treat - all her uniforms and outfits are hung up neatly acting as a menu for your next visit.

The Lady:

Paris's photographs are an accurate representation of who you meet once the door is opened. She has curves in all the right places.

The Story:

Having been shown up to her room, I handed over the paperwork, Paris enquired as to what I particularly liked, we then enjoyed some DFK, before Paris performed a lap dance/strip during which roving hands were encouraged - it was a pleasant surprise that there were no knickers under her black dress. She broke off to give a short, but erotic toy show, before releasing me from my boxers and getting to work with her mouth. This was fantastic as she brought me to the brink on several occasions. To prevent a premature end, I decided that it was my turn to return the complement. We followed up with more oral on me, then face-sitting that sequed into 69, before it was on with the condom for some reverse cowgirl. After a regrettably short time, I came. The remainder of my time and more was filled with a relaxing massage and a good chat. I took up the offer of a shower before I left.

Overall I had a great time. Paris is easy to get on with and clearly enjoys her work. There was no element of clockwatching and her communication before the meeting was efficient, polite and helpful.
