The Premises:

Modern flat in a gated block, on the outskirts of Maidstone. Very clean and tidy flat, where you are met by Gina and made to feel very comfortable very quickly.

The Lady:

Gina looks like a porn star, tall, slim with amazing boobs. Her skin is wonderfully soft and she always smells delightful. She is the most stunning woman I have ever met.

The Story:

Gina makes you feel so welcome. Everything is done at just the right pace. She has this incredible ability to read what you want and then give you what you need.

I always leave Gina feeling like the world is a better place and with a gentle ache in my balls! What more can a man want than to spend time in the arms of a beautiful woman who takes you to heaven and seems to love what she is doing?

I am completely in love and in lust with Gina
