### The Premises:

Nice area, unfortunately the residence is a total dump. Even uses a red bulb - haven't seen that in a long time! Dirty shower, no clean towels. Came home and immediately jumped in the shower!

### The Lady:

Mid twenties, facially about 6/10, slim body, soft breasts, trimmed pussy. Reasonably attractive.

### The Story:

Should have really walked just after entering the place, a real dive. Anyway, i stayed. Emmy was cold to begin with, warmed up a little after a while. Lousy covered bj, about 1 min. Started shagging her which was good, but even so she complained i was taking too long to cum and refused any further positions (said i wanted too many positions).

Tried for 2nd round, she said only 25 mins left (!), said i couldn't do it. I insisted, saying i had paid for 1 hr, she relented, but i couldn't re erect due to the bad vibes.
