The Lady:

Sayuri looks like a dirty slut, she was wearing a tight latex dress and had a come fuck me look about her which I liked!

The Story:

This was great, I told the agency guy I wanted a submissive girl and he suggested Sayuri to me and she was definitely up to the task! I made her into my own personal sex toy for the hour I was with her and made her deepthroat my cock. I twisted her nipples and spanked her while fucking her tight bum and pussy while pulling her hair. When I was about to come I slapped my cock against her face before pushing it into her mouth and shooting my spunk in her throat. When done I pushed her down onto the bed and asked her if she liked that? She nodded like the good little slut she is and I got dressed and was on my way home.
