The Story:

Avoid at all costs! This is a bait-and-switch scam. The girl advertises on the site as offering dfk, owo and cim, but on arrival (and after having handed over funds, of course) I was told that these services are not on offer, no fingers too and A-level as well (I was told by agency it is ?50 extra...). All this in the first two minutes, before any action had commenced. I hate being scammed. She got so much negative attitude. She cant treat client properly. The wrong person, in the wrong place, on the wrong job. Can't understand how any agency got this kind of girls; the best way to loose their good customers. we had mechanical cowgirl, took her quicly from behind and ... finish. waste of time and money; for same price you can find lot of girls for better services included. Avoid!!!
