The Premises:

End terrace. Felt safe and plenty of on street parking. Nice area of Loughborough. Inside it is very clean and pleasant. Bedroom on ground floor has a nice comfy double bed.

The Lady:

White, mid 20's. Very pretty with lovely eyes and a nice smile. Slim build but very shapely, and nice petite breasts. Nat has a stud in her tongue which she uses to good effect. Lovely long legs, and she is about 5'6" tall. Very attractive young lady.

The Story:

I have visited Nat on many occasions now and find her an absolute diamond. She is very passionate and treats you just like a girlfriend would. Plenty of DFK and cuddles. Nat gives good communication via text and met me at her rear door, dressed in her lingerie. She gives a very relaxing massage with plenty of attention to the old manhood. Then gives the best owo a man could ever dream of. This is where her stud is so useful. Boys, if you manage to last the owo, her pussy is so sweet tasting and responsive. then on with the mac and sex in as many positions as you can manage. Nat is a really friendly girl, easy to talk to and my dream lady. Treat her well please she is the perfect gfe.
