ladyt has lovely blonde hair which compliments her natural tanned body and lovely soft smooth skin lady t has the most gorgeous hazel eyes and the most beautiful smile one will ever see

The Story:

I have seen ladyt several times and each time she never ceases to amaze me and each time gets better and better. She loves to cuddle and be cuddled whilst giving and receiving gentle kisses before she starts stroking my leg and unfastening my trousers to play with my cock and make it go hard while sucking her nipples on her big breasts,mmm mmmmm

This lady certainly knows how to please a man no matter what position we were in, could have stayed for hours the sex was so good and after we layed cuddled up and chatted wow WOW the best GEFever on this planet

Would I visit again you bet but next time will book longer thanks ladyt
