### The Premises:

Hotel, but upmarket and discreet. Felt totally safe.

### The Lady:

Beautiful toned blonde. She was dressed in sexy lingerie, which really showed off her toned slim figure. Her arse is a wonder - amazingly firm and totally smooth. She carries all this off beautifully, confident and classy

### The Story:

It was a friendly upbeat open-minded encounter from start to end.

SJ started by kissing me deeply and teasing my balls, cock and arse from behind, laying her cards firmly on the table. She sank to her knees and started licking my shaft. I had other plans and laid down so she could park that amazing arse on my face, so I could explore her neat tiny pussy with my tongue while getting a lovely blowjob.

I needed to feel my cock stretch her, so I moved her down on top of me. Her pussy positively squeezes as she rides you, and she is a passionate kisser.

Having seen that beautiful arse on my face early I had to fuck her from behind. You are presented with a perfectly formed arse, framing a cute little arsehole and a perfect pussy, which I sank my entire length into, feeling her pussy lips caress my shaft.

With that view and that sensation, I didn't last too long, but came really hard, feeling her pussy pulse against my cock.
