The Premises:

Nice and tidy and a nice welcome from the receptionist and a drink offered.

The Lady:

Frankie is a nice looking 5ft 11in brunette with a curvy 34d figure and a sexy lovely ass. There was a shower in the room which I used before and after.

The Story:

Was offered two services o/w and sex for the money paid and started the session with a massage on my front. A nice and perfunctory massage was provided by Frankie until we got on to the sex which was missionary and doggy.

All in all a good service by Frankie if a bit nervy between the two of us mainly me. As I showered and changed she stayed in the room which was a nice touch and we chatted. I would and will be going back to see this lady definitely.
