The Premises:

Very close to Lewisham Station. Clean inside and smelling nice. I felt safe.

The Lady:

Bloonde English lass in her late 20's although she says 24. Long blonde hair, fantastic natural breasts. Sexy looking with a great body.

The Story:

Kristina greeted me at the door with a warm welcome in her very sexy black dress and stockings as requested.

She led me to the bedroom and when paperwork was out of the way was offered a shower.

When I cam back Kristina had taken off the dress and waiting for me in her lingerie.

She went straight to putting on the rubber and giving oral, which was good and deep.

During oral she allowed me to touch her clit and give it a rub which some ladies these days don't allow.

She likes doggy so I went for it in that position, she was not very tight but was alright.

We later had a little chat where she was attentive and touching my body.

She provides a good service although she does not provide a full GFE as she didn't want french kissing.

She was ok but not the lady I will be visiting again.
