The Lady:

Website photos do not give much away. Pretty girl though. Definitely on the curvy side and size 10 might be a bit generous. Full breasted, all natural. Couple of small tattoos, and a belly pierce.

The Story:

On sight was a little disappointed at her figure, but very friendly, and we chatted for a bit.

Off to bedroom, had a cuddle and she asked me if I kiss. After a stream of escorts that did not FK, I was beginning to lose hope any did. Well Stacey did, and very nicely too. Gave her a massage which she seemed to really enjoy, then reverse oral, again, which she also seemed to really enjoy.

On with the condom for oral with, and have to say, even though not a great lover of oral with, she gives a pretty good BJ. Started sex with her on top and she felt great. I'll say one thing, I have had my share of skinny girls who are crap lovers. This girl is a GREAT lover. After a while was a little worried I might lose control, so I went on top, and stayed there for quite a bit. Was really exciting and passionate lovemaking and she seemed really into it.

Eventually I could hold back no more and came very hard, she let me finish shuddering before I withdrew, then we just lay there in bed chatting until it was time for her to go.

It has been a while since I have had a really good escorting experience and I was beginning to lose faith. It just goes to show that someone who is kind, warm and tries hard wins every time over someone skinny and stunning who does not. Really nice girl.
