The Story:

Was waiting for a train in Crewe and walked past a gorgeous blonde who I thought gave me the eye. Anyway the train was late so decided to pass the time in Brooklyns and guess what? The fit girl was working there.

She is tv presenter pretty, a bit like the bird who used to present Brainteaser.

Slim figure with kit off. Paid extra 30 for GFE and CIM. Massage, kiss and cuddle was a bit perfunctory but I guess it's hard to keep up enthusiasm.

The main event didn't disappoint though. Very enthusiastic cock-sucker, expert use of teeth and tongue. After a decent amount of time I came bucket loads slightly surprising Savannah I think.

Was chatty afterwards I'd say she would be very friendly if you became a regular.
