The Story:

Working up t'north for a few weeks, and want to take in as much of the local delights as time will allow.

Called Elite and they arranged an appointment with no fuss.

I'll be honest, I was not sure what to expect. The girl I wanted to see was not available and Michelle's photos seemed somewhat inconsistent. When she opened the door I was blown away by this sexy minx. All curves in the right places and a welcoming smile.

She let me in and we sat on the sofa and got down to some serious kissing and fondling. It was not long before she let me worship her pussy with my tongue. She seemed to like it and got nice and wet and made all the right noises.

Then it was her turn, and she gave my cock the attention it wanted, and she certainly knows what to do there. I came like a train and unfortunately I knew I would not manage a second time, so I missed out on the chance of giving her a good hard fucking, but I'll be back.

Good fun
