### The Story:

Great... we had some hassle with the shower (which was amusing as much as irritating), then got down to business. Marina had a taut, tight, little body, which she enjoyed rubbing against me as her tongue progressed down my body until she took my cock in her mouth. Nice BBBJ and ball-licking while I got rid of her remaining underwear. And so she put a condom on and fucking began.

Missionary first, then doggie. Lovely tight cunt... I could really feel her pussy-lips gripping my cock and excellent tight sensations as it pumped in and out. We fucked for a while, then we lubed up for anal. Marina was a little reluctant at first, but was persuaded and I skewered her. Great sensations as I sodomised her - gently, slowly (I didn't want to cum too soon). Fantastic feeling as I pulled out of her bum, then rammed my cock back in - a little resistance each time, a little force needed to get the head of my cock past her sphincter. I loved the feeling, the taboo, the sight of her bum in the air, her knees apart, her shoulders down on the bed and her ring-piece stretching as I buggered her. Putting my fingers in her cunt, I could feel my cock in her arse as I fucked her. Then flipped her on her back, I fucked her anally with her legs in the air... great! Finished up coming in her mouth.

My only disappointment... couldn't manage a second go; had to finish wanting off onto Marina's tongue as she knelt in front of me.

All in all... yes, I'd do it again!
