The Premises:

Pleasant, tastefully decorated townhouse near the shopping centre, plenty of anonymous 30p parking nearby. Only one bathroom between the 4 rooms which meant some waiting at the end.

The Lady:

Gorgia is a very attractive young brunette, she has more than a hint of a mediterranean look with tanned olive skin, big seductive hazel eyes and a friendly white smile. She has had some new D-cups fitted which really suit her shapely figure. Her body is soft, smooth and feminine, nicely squeezeable too.

I found her immaculately presented, very sexy and alluring.

The Story:

Gorgia has a naturally welcoming personality and the knack of making you instantly feel at ease with her.

She soon opened up her erotic charms starting with kissing and OWO. It didn't take long for us both to get undone...Gorgia's body is very responsive, so it was her first in a 69, then me not long after in mish whilst being snogged and breathily willed on by a lustful Gorgia.

After a nice simmer-down cuddle & get-to-know-you chat, we were ready for more...my tongue was rewarded with another intense climax on her part. She then kissed me, tasted her juices and sincerely thanked me, bless her!

A definite recommendation for this fresh, warm-hearted, passionate beauty!!
