## Review of Geena of London

**Review No. 109862 - Published 14 Jul 2012**

### Details of Visit:

**Author:** Randomiser

**Location 2:** Baker Street

**Type of Visit:** Incall

**Date and Time of Visit:** Wed 11 Jul 2012 17:00

**Duration of Visit:** 30 mins

**Amount Paid:** 60

**Recommended:** No

### Details of Service Provider:

**Phone:** 07901302199

### The Premises:

Reasonable flat a few minutes walking distance from Baker Street station. A bit sparse inside but suitable for purpose.

### The Lady:

At first glance I didn't recognise her from her profile pictures but it is her. She's about 5' 7", black hair a bit longer than shoulder length, light eyes, large natural breasts. She looked very tired with dark circles under her eyes.

### The Story:

I had been keeping an eye on Geena's profile for a while as I thought she looked quite good. FR 109176 sealed it for me.

Unfortunately, I found her unfriendly, uncommunicative and unresponsive. She didn't respond when I asked her how she was, didn't ask me how I was and I'm not even certain I got a "hello" on arrival.

Kissing was reluctant and DFK, despite being featured on her profiles, was not available. OWO was fine though very brief as the johnny went on the second I was hard. She moved on to cowgirl where she avoided making any eye contact.

After round 1, she disappeared but not before tossing a box of Kleenex and baby wipes onto the bed. I'll just clean myself up then, shall I? When she reappeared, I asked if I could change the booking to 30 mins. After a few minutes of debate, hostile refusal turned to reluctant agreement and she agreed to give me ?20 back. She disappeared and returned. As I was just about dressed, I asked if she had my ?20. She pointed behind me on the bed where she had thrown my cash. Money safe in hand, I told her in a very matter of fact way that I didn't think this line of business suited her personality and that she was the unfriendliest girl I had ever met. On the way out, I got a faux smile and a sarcastic "Have a nice day". Progress.
