The Premises:

Flats behind Staples. The flat itself is fine - well the bedroom and hallway anyway. Good sized bedroom - simple but nice decoration. One slight issue is maybe some might find the walk up to the Flat's outer door a little exposed...

The Lady:

A pretty Brazilian beach babe - tanned, curvy in all the right places. She is a fitness instructor in civvy life and it definitely shows!!! A perfect toned body. However despite all this the most striking thing about her is her eyes! seriously they are sexy!!!

The Story:

Shown to the bedroom by the maid and Vanessa came in a few minutes later. She is a very sexy lady with a very naughty manner about her. She is easy to talk to - I know this isn't exactly what we come here for but the girls who are keen to engage on a personal level always the one provides the best service.

Started with a massage while we got to know each other and gave me a chance to admire her gym toned body and wonderfully round breasts as she kindly complimented my size - which always makes a guy feel good. After the massage she told me it was time for some fun - so she sat me down on a chair in front of the mirror, knelt down and proceeded to suck my cock with some gentle OWO. She is very good at this. She then sat on my knee and began to grind her magnificent bum against my cock and pressing her body against me. This felt amazing and I could feel her getting very wet as she rubbed her pussy on my cock.

I was then lead to the bed where she put on the condom and mounted me. She has a naughty piercing down there. She was incredibly tight and she slowly took me inside her. It was an exquisite sensation! I told her to be very slow as I knew I was very sensitive after our time in the chair. She fucked my very gently and had me gasping with pleasure which lead to a deep climax.

After that there was no rush to get me out the door - just an easy conversation (mainly about

football and Arsenal - could this girl be any more perfect!!!) with a beautiful, sexy girl until the time was up.

Thank you very much, Vanessa! I would also love to take up your fitness classes sometime....I wonder if you could do some personal fitness training with a happy ending...
