The Premises:

The Lady:

A truly Stunning looking girl. Uber -fit and a keen gym goer, it shows !! -Parissa has one of the best figures I've come across for some while. She would not be out of place appearing on the track at the Olympics in a Polish athletics strip ... or working as a Lingerie model. Not an ounce of fat, but seriously great boobs and a lovely bottom !! A real head turner.

The Story:

This was an enjoyable 45 minute punt - Parissa (who chooses these daft names !) is very good at what she does. Her looks and figure are worth the fee on their own. Her Oral (without) is absolutely 1st class and having sex with such a stunning lady is a great memory to hold onto.

She seems to be a really nice girl too and I don't think she's been in the business overly long. Not especially easy to engage with in the early stages of the meet, although her English is very good, Parissa seems a little distant, reserved maybe ?? [although how you can be reserved or shy when you have no clothes on and are having Sex I don't quite know !! :-)] She became quite chatty though as I got dressed to leave ?? odd !

So, on the basis of great looks , really good sex and top notch OWO -Parissa has to be recommended.

If her kisses were just a little more passionate or full on she would be a "must see" but until then -if truly Deep FK is your thing ... its not Parissa's. She has lovely lips and kisses nicely .. but lightly. Almost Perfect.. But tantalisingly . Not quite !!
