The Story:

This was my second visit to Mazule and it was great! I'm a major breast-man and she doesn't disappoint in that arena. I have a breastfeeding fetish and although she's not producing milk she plays the role very very well. Amazing large breasts! Great to suckle! Amazing kisser! Uses her tongue 100%! Will definitely be going back again as she fulfills my requests and I hope to get more requests fulfilled very soon!
