The Premises:

Excellent flat with pleasant lounge and good firm bed. It's clean and easy to find. Parking was easy at midday. One might have to park a little away in the evenings.

The Lady:

Alexandra (Lexie) is around 5'5" and a perfect size 6. Her waist is tiny but this serves to compliment her wonderfully sexy bottom. She is a natural brunette but her hair was blond when I saw her, very silky to the touch. I adored her petite breasts with their tiny nipples. She told me she'd thought of a boob job but decided against. Good decision I think.

The Story:

I'd booked my time with Lexie just prior to the FR submitted by FR Frank (109847). I was reassured by what he said and agree with everything in that report now that I have had the pleasure of this lovely lady's company. So in view of that I will not drone on and on save to say that it's a pity she has not her own website but those in the know will be able to see more elsewhere. What I would add is that Lexie isn't keen on Anal but didn't flinch when I suggested on my next visit we might have some wet fun.
