The Lady:

The pics on website actually make her look older than she is, which is the exact opposite of what you usually find.

She's young and pretty, and has a great pair of boobs on a slim body, site says she is B cup but surely they are bigger.

The Story:

She opened the door and greeted me with a peck on the lips. I had the usual shower (not shared) while she waited, then led me to the bedroom where she helped towel me dry.

Started with FK and groping, then onto the bed where she started OWO while periodically taking her lingerie off. She looks amazing naked, i love the look of her sitting in a straddle position, she noticed me staring at her boobs so moved up so I could lick and suck on her erect nipples, interspersed with FK.

She then slipped the condom on me and started off with nice slow cowgirl, then when I could feel the familiar build up, I moved to change position, very brief doggy then she moved into missionary, which I think she prefers, making all the right sounds to make me cum.

She then offered a massage, which was lengthy and relaxing.

She then asked if I wanted her to give me OWO again to get me going for another round, usually I dont get hard again especially after a nice massage, so I was being indecisive but she made the decision for me and started trying to bring my little guy to life with her mouth.

After a few minutes I told her not to worry about trying to get me hard again, to which she responded with passionate DFK, and I was getting hard again, more OWO to make sure and on with another condom.

I made to lie down for cowgirl, but she was keen for me to be on top, so it was back to doggy and this time it was not brief, I started off thrusting slowly until I built up momentum and was really going at it (i'm pretty sure from the mirror I saw her lean her head back and smile). A few times I thought I was going to cum again but it didn't happen, so mindful of the time I decided i would call it quits. Sabrina asked if I had cum and when I said I didn't she went into missionary position again

and pulled me in.

It was nearly time up and my 2nd coming wasn't going to happen (not through lack of trying on Sabrina's part) and I didn't want to go over time so I stopped again. I think she had been enjoying the position and seemed genuinely disappointed that I had not cum again, she really wanted to make sure I was happy.

I finished off with a shower and kiss.

Sabrina is very gentle and quiet, and very much a GFE.
