The Story:

I have had some crap punts lately and am so glad to have also had this fantastic one with Julia. She also works a local parlour so I knew what I was in for. Money well spent and guys you should see this woman. She is fit friendly and very sexy. Great owo and a great fuck. None of this demanding extra for a b or c and she delivered on all services requested. No hassle over positions and she keeps her heels on if that is your thing. Managed twice in the hour. I don't know about A levels as I didn't ask.
