Wow, and that's an understatement. Paris has been on my "to do" list for a while and my only regret is that it took me so long. How does this sound:

Very pretty

Friendly

Young

Killer smile

Chatty

Great boobs

Great bum

Long blond hair

Flat tum

Dressed to please

The Story:

Paris only does incalls on Sunday's but I phoned on the day and got a booking and had a REALLY excellent time, this was great VFM.

As said, the comments on Paris have intrigued me and I wanted to sample - now I'm going to sample more. Paris is the epitome of sex on legs.

We started with OWO as Paris wanted to get me hard - not difficult as I was well on the way when she took her clothes off. Paris then slipped a condom on me and climbed on board - after a while, sensing that I might cum though, Paris got off me and asked if I would like a "pussy licking break" - lovely girl but stupid question - YES!. Very juicy, got wetter and wetter then she groaned and came. A short rest then we fucked, doggy first then me on top as I this is my favourite position. Didn't take me too long too shoot my load!

Paris cleaned my cock with some wipes then offered me a shower, which I readily accepted as it was hot outside plus I was a fucking siight hotter after Paris had finished with me.

As many have said before me, Paris is a lovely girl, gives a great service and it's easy to see why she is so popular.
