The Story:

I had met Tia at HOD and was great to see her back, her kissing was passionate and deep, her oral was great and she pushed herself deep on my tongue when I went down on her.

nothing was too much trouble and was even treated to the sight of her playing with herself, sex was in doggy and again she pushed for deep penetration, also missionary but with her legs on my shoulders, a happy ending and chatted afterwards about how and why her comeback, in short a truly great time with a stunning girl, hope to return soon
